Schaedler Yesco Wins 2024 Top Workplaces Culture Excellence Awards

HARRISBURG, PA – Schaedler Yesco Distribution has announced that it is a **2024 Top Workplaces CULTURE EXCELLENCE winner in three categories**. The company was previously recognized as a Best Place to Work in PA 16 times.

"This designation is significant for us because the voices of our team members directly drive the award," explained Farrah Mittel, president. "While we're proud being a 16-time winner as a Best Place to Work in PA, Top Workplaces allowed our entire employee base, not just those in Pennsylvania, to provide feedback for this national program."

Eric Rubino, Energage CEO, agrees. "Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Rubino. "That's something to be proud of."

The Top Workplaces program is managed by Energage, a purpose-driven organization that develops solutions to build and brand Top Workplaces. The program has been surveying and celebrating people-first organizations nationally and across 60 regional markets for 17 years. The confidential employee surveys resulted in Schaedler Yesco being recognized for Culture Excellence in three areas:

EMPLOYEE APPRECIATION

This award celebrates organizations that demonstrate gratefulness for the efforts of employees and that employees reciprocate by being motivated to give their best at work.

EMPLOYEE WELL-BEING

This award celebrates organizations that put the health and wellness of their employees at the center of their workplace culture.

PROFESSIONAL DEVELOPMENT

This award celebrates organizations that focus on developing their employee's careers and enable them to grow professionally.

"As we continue to grow, it's critical that we provide the tools and support our team members need to thrive," said Director of Human Resources Emily Schaffer. "This designation reinforces our commitment to our employees -- both current and future."
