

# Schaedler *yesco*

## Wire Services / ProReel Plus

Your source for dependable wire and cable solutions

# Real life experience. Real life solutions.

Schaedler Yesco Distribution is the largest independently owned, full-service electrical distributor in the markets we serve. But we're more than a distributor of products. We're a business partner focused on services and processes that help make you more competitive. Whether new construction, renovation, or design & build, our goal is to minimize your challenges and maximize your profitability.

## Wire & Conduit Services

Managing your wire order doesn't have to be difficult. From product selection and calculations to valuable add-on services, we'll help you make your project easier, faster, and more profitable!

- Wire planning
- Paralleling
- Color coding
- Pre-installed pulling heads
- Local cut service

## Tools & Equipment

Having the right tools can make the difference for a successful project or one you can't wait to forget. Our specialists can help you choose the right tools to help you be safer and more efficient on your next job.

- Hand tools
- Pulling & Fishing tools
- Caddies & Carts
- Jacks & Cradles
- Wire Reel Systems including SIMpull™ and ProReel Plus

## Schaedler Yesco ProReel Plus

Moving, setting up, and paying off feeder cable reels inside buildings or structures can be extremely challenging, often requiring a tremendous amount of labor, equipment, tools, physical effort, and time. The ProReel Plus from Schaedler Yesco offers a variety of benefits.

### What's the PLUS?

ProReel Plus allows for easy handling and quicker pulls with less labor! Whether you choose our single-wire reel or our multi-wire unit, ProReel Plus is easy to maneuver and position on-site with super smooth pulls.

From loading to pulling, ProReel Plus is designed to keep your team safe. Integrated fork pockets make the unit easy to load onto trucks, while locking pins in the shaft keep products stable during transport. Onsite, ergonomically designed features and cable pulls with significantly less manual exertion mean quicker – and safer – installation.

More efficient handling and pulls means greater productivity. ProReel Plus allows you to save time and money and that means you can be more competitive on your bids.

Schaedler Yesco's ProReel Plus can be used with any brand of wire, single or paralleled. You aren't limited by the wire you need.

We stock a wide selection of the wire you need most. If it's in stock, it's quick ship.

**Wire Selection**  
With over 75,000,000 feet of wire sold annually, we know what we're doing! While you'd expect our CDC and RDCs to have a huge supply, you'll also find the 'must have' gauges and types at each of our locations for quick needs. If your project calls for something unique, we'll work with one of our many sources to support you. From full buildings to a short run, we're ready to help you reach your deadlines.

\* Stock status subject to change without notice. Available in cuts, reels, and other convenient systems. See your Schaedler Yesco sales rep for specific availability.
