\$9.00 ea

** Due to product demand, limit 24 bottles per company per day.*

Industries, LLC

MADE IN YORK, PENNA. USA

Responding to a call during the COVID-19 pandemic, three business veterans and their teams, from manufacturing and packaging automation industries, combined forces to create KO-Industries and KO-SAFE Hand Sanitizer in York, PA.

Within three weeks, a full plant was commissioned and product started rolling off the production lines ready to protect consumers.
