Rack-A-Tiers **XL** Wire Dispenser

The best selling wire dispenser
just got **BIGGER & BETTER!**

Not just a wire spool holder, the Rack-A-Tiers XL is also a work bench, sawhorse, and pipe vise. This innovative portable wire dispenser is 22" tall and 13" wide, which means it's rated for reels up to 40" (1m) in size and weights of 500 lbs. – much more than the original Rack-A-Tiers.

Single Laser Targeting Infrared Thermometer

The IDEAL Single Laser Targeting Infrared Thermometer (IRT) is a non-contact temperature sensing meter. Its single laser defines the center of the area whose temperature will be measured. The IRT measures temperatures from -4° to 752°F (-20° to 400°C). The LCD backlit display is automatically illuminated when the trigger is pulled.
