# Connect to Schaedler Yesco 24/7 with live account information!

Whether you need information on Wednesday at 10am or Sunday at midnight, Schaedler Yesco's online tools can help you keep moving at your desk...or on the road.

With Schaedler Yesco's Web Order Entry, you can place orders, check inventory, or review account status 24 hours a day, 7 days a week. In addition, it allows you to review all open bids, open orders, and A/P activity using a variety of features.

Our dynamic product search capability enables you to access our electronic catalog and search for products by description, product line, product family, product category, previous purchases, or by generic keywords. And if needed, you can assign your own part numbers.

**Getting set up is easy.**

**Register for online service at**

<https://www.sydist.com/Services/DigitalOrdering>

- New and Improved Search Function
- 24/7 access from any device
- Powerful info when you need it
- Check availability, view YOUR pricing, and place orders
- Build product lists & save favorites
- Check account status, view bids, open orders, and history
- Print invoices and sort by project/PO
