

Industrial Automation

Listing of Manufacturers

ABB / Thomas & Betts

Panel Accessories

Acme

Constant Voltage Transformers

Drive Isolation Transformers
Dry-Type Transformers

Allen-Bradley

Ethernet Switches/Media

Industrial Computers

Industrial Control Products

- Connection Systems
- Control Circuit Transformers
- Encoders
- Limit Switches
- Photoelectric Sensors
- Power Supplies
- Process Instrumentation
- Proximity Sensors
- Signal Convertors/Isolators
- Signaling
- Zero Force Touch Buttons

Industrial Monitors

Linear Motors

Motor Control Centers

Operator Interfaces

Press Control

Programmable Controllers

RFID

Safety Products

- Cable Pull Switches
- Contactors
- Drives
- Explosion Proof Switches
- I/O Modules
- Interlock Switches
- Laser Scanners
- Light Curtains
- Limit Switches

- Mats
- Motion Control
- PLCs
- Relays
- Sensing Edges
- Trapped Key Switches
- Wired Distribution Boxes

Servo Controllers

Servo Motors

Variable Speed Drives

AMCI

High Speed Counter Cards

Programmable Limit Switch Cards

Stepper Drives/Motors

APC / Schneider Electric

Uninterruptible Power Supplies

Bonitron

AC Drive Braking Modules

Cisco Systems

Networking Solutions

Control Station Loop Tuning

PID Tuning Tools

Data-Linc Group

Fiber Optic Interfaces

RF Modems

Datalogic

Barcode

Laser Engraving

Sensors

Vision Systems

Diversified Electronics

Phase to Phase & Ground Indicators

Voltage Detection Indicators

Elwood

Explosion Proff Servo Motors

Rockwell AB older Motors (1326AGS, H, F, N series)

Stainless Steel Motors

Wash Down Motors

Endress+Hauser

Flow and Level Sensors

Process Instrumentation

Entek

Vibration Analysis

Esteem

Wireless Modems

Euchner

Enabling Switches

Safety Interlock Switches & Relays

eWON

Remote Connectivity Devices

Exlar

Electric Linear and Rotary Actuator

Integrated "Tritex Series"

Rod Style Actuators

Flex-Cable

Servo Cable Systems

Fluke

Repair & Recalibration

Test Equipment

Thermography

Grace Engineered Products

Enclosure Interfaces

- Computer

- Ethernet & Network

- Keyboard, Mouse, & Monitor
- MMI
- PLC

Hardy Instruments

PLC Weigh Scale Interface Modules

HMS Anybus

Communication Gateway

IDEC

Relays/Timers

IGUS

Energy Chain Systems

Islatrol

Noise Filters / Surge Suppression

KTR

Motor Couplings

Lapp Usa - Olflex

Flexible Cable

VFD Cable

Leuze-Lumiflex

Laser Sensors

Luminescent Scanners

Optical Distance Sensors

Linmot

Actuators

Linear Motors

N-Tron

Industrial Ethernet Switches

Industrial Network Products

Nidec-Shimpo

Precision Gearboxes

...continued on back

Industrial Automation

Listing of Manufacturers cont'd

nVent / Hoffman

Industrial Enclosures
Ventilation Products

Paletti USA

Linear Actuators
Modular Extruded
Aluminum
Profile Systems

Phoenix Digital

Fiberoptic Communications

Post Glover Resistors

Dynamic Breaking Resistors

Prosoft Technology

AB Drive Communication
Adapters
• Modbus Plus
• Modbus Slave
Wireless Modems

Quartech

Operator Interface

RFideas

Condition Monitoring
Energy Assessment
Lifecycle Management
Onsite Engineering
• Embedded Engineers
• Emergency Call Outs
• Personal Training
• Preventative Maintenance
• Start-up & Commissioning

Plant Network, Safety & Risk
Assessment

Repair & Exchange

Technical Support

Training

- Certification Programs
- Customized Training
- Fundamental Electrical
Maintenance
- Instructor Led Classes
- On-Site Training
- Safety Training
- Scheduled/Off-Site Training
- Virtual Classrooms
- Web & Computer Based
Training

Rockwell Automation - Software

Design and Configuration
• Control System Design
Management
• EOI Application Development
• Industrial Network
Configuration
• Motion Control
• PLC/PAC Emulators
• PLC/PAC Program Editors
• Safety Editors
• VFD Configuration

Asset Management

- Automation Device Change
Management
- Calibration Management
- Disaster Recovery
- Energy Monitoring/
Optimization
- Process Device Configuration
Management

Manufacturing Intelligence

- Automatic Report Delivery
- Data Collection / Historian
- HTML Reporting Portal
for Real-time Analysis &
Adjustments
- OPC Servers
- PLC/PAC to Database Bi-
directional Interface

Performance

- Downtime Tracking
- Plant Efficiency Monitoring
Optimization

Production Management

- Batch Management and
Execution

Visualization

- Line Level Single Station HMI
- Machine Level Operator
Interface
- Plant-wide Client/Server HMI/
SCADA
- Process Control
- Web Browser Operator
Interface/HMI

ROSS Controls

Pneumatic Safety Products

Roxtec

Cable Sealing Products

Schaffner

Active Harmonic Filters

Service Wire Co.

Shielded VFD Cables

Shimpo Drives

Gearboxes

Simpson

Panel Meters

Sola/Hevi-Duty

Constant Voltage
Transformers
DC Power Supplies
Drive Isolation Transformers
Dry-Type Transformers

Southwire

Variable Frequency Drive Cable

Spectrum Controls

Operator Interface Products
PLC/SLC/CLX I/O Modules
WebPort Remote Access
Modules

Stegmann

Encoders

Stober

Helical-Cut Gearboxes
• Modular System
• Planetary Servo
Variable Pitched Pulley Systems

Stratus Technologies

Fault Tolerant Servers

Sytech

MS Excel-based Data Collection
Reporting Software
