### SCHAEDLER YESCO RANKS AS ONE OF THE BEST PLACES TO WORK IN PENNSYLVANIA FOR 2023

Harrisburg, PA – Schaedler Yescos Distribution, Inc. has been named 32nd in the Best Places to Work in PA, an annual award program designed to identify, recognize, and honor the best places of employment in Pennsylvania, benefiting the state's economy, its workforce, and businesses. This is the sixteenth year that Schaedler Yescos has won the esteemed award.

"Being named among the Best Places to Work in PA continues to be an honor," President Farrah Mittel said. "The larger we get, the more critical it is to provide the tools and support our team members need to flourish. We've added 85 employees to our roster this year alone. I'm proud that we are doing our job and that our team recognizes it."

The ranking celebration continues a year of growth and celebration. Earlier this year, the company acquired five new locations, opened a new Regional Distribution Center in Pittsburgh, announced plans to close on a second acquisition at year's end, and ranked 22nd in the 2023 list of Top Growing Companies in PA.

"Not only are we pleased to be recognized again, but it's a terrific way to enter our 100<sup>th</sup> year in business," said CEO, Greg Schaedler.

The company will celebrate its 100<sup>th</sup> Anniversary in 2024.

Companies from across the state entered the two-part process to determine the Best Places to Work in PA. The first part of this process was evaluating each nominated company's workplace policies, practices, philosophies, systems, and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process.
