Show me the money!

On 9/1/22, we'll tally the chances and pull 11 winners for the following prizes paid as Visa Gift Cards:

- **\$50** (6 winners)
- **\$100** (3 winners)
- **\$500** (2 winners)

There is no limit to the number of entries any user or company may earn. Multiple users from the same company may win, but an individual can only win once. A total of 11 winners will be drawn to win a Visa Gift Card in one of the following denominations: \$50 (6 winners), \$100 (3 winners), \$500 (2 winners). Individual winners are required to complete a publicity consent form and a prize acceptance form that includes authorization from their company to accept the prize or direction to award the prize to the company in the form of an account credit. Failure to complete these forms forfeits the prize and another winner will be drawn. Prizes will be awarded by 9/30/22.
